# INTRODUCTION

Dear Parents, guardians and well wishers,

29th April 1993 at Patna under the Society SEWA (Society for Educational and Welfare Activities). Considering the need of an English medium school for children in rural area of nearby Patna, shifted the school at Baghakol, Bikram in the year 2012.

The aim of education is allround development of the child. The child must grow better day by day physically, mentally, emotionally. Our school aims to foster allround personality development and to surface the dormant creativity of the child in a purely psychological environment. One has to interact with the environment, for development. Role of the school for creating an environment, in which better well balanced personality of the child may develop, is important. Our well qualified teaching staff will work hard to achieve the goal. The child can develop all the qualities and abilities

required for successful social adjustment and advancement. We expect to train our students to have respect for elders, be kind and sympathetic to other, and loyal to family, friends, school and country and to be co-operative in nature. We will try to make our students aware of their talents and skills and develop them to fullest according to our motto "May you climb from Peak to Peak" so that they may attain new height of achievement in their life.

Education we provide moral, intellectual and physical education and training encouraging the children's allround development and so to lay a good foundation for the further education.

Hence, great importance is attached to games, sports and physical exercises in addition to cultural programmes and other activities.

Co-curricular activities provide the students much needed relaxation as well as equip them with skills to play different games, develop love for music, art and dance.
- ❖ Regular morning assemblies bless them with ideas, values and knowledge to live in the present & the Future.

## ATTENDANCE

Children should reach ten minutes before the assembly bell rings and leave home immediately after the school is over. Regular attendance is of great importance for the desired progress of the children. A written application for absence should be made in the prescribed page of the diary. In case of sudden illness or other unforeseen reasons an application should be given in a way of information and a letter must be given on the return of the child to school. If the illness continues for a long period a certificate of the attending physician stating the nature of illness and fitness to join the school must be attached to the leave application.

## RULE OF DISCIPLINE

Children are expected to be well mannered, obedient, punctual, Smart, clean and neatly dressed Parents/guardians are expected to promote these habits in their children from beginning as these are the keys to success in life. Their full co-operation is essential in establishing good habits of punctuality, regularity and discipline. It is very much appreciated when parents respond readily to the invitation sent for specific reasons or to attend parent-teacher meetings and other School events. It is only with the Co-operation of the parents that school can promote all-around development of students.

In case of irregular attendance, idleness, negligence in homework, disobedience towards teacher and bad influence inside or outside the school will justly be the cause of the removal of the children.

## WITHDRAWAL OF CHILDREN

Parents / Guardians must apply for withdrawal of their wards before the date of withdrawal and clear all the dues with the current fee before the T.C. is issued. The children after the completion of their studies get a usual school leaving certificate to enable themselves to take admission elsewhere, Note: Any change in the Rules and Regulations of the school or in Tuition fee besides any other changes will be binding on parents or guardians.
